**A Mission experience just for YOU!**

***"Is Seeing really Believing?"***

Pack your bags and get ready to spend a long weekend with your fellow Young Adult/ College-age friends. We're heading out the morning of Thursday, June 5 and will return the evening of Sunday, June 8, 2008.

Many of you have grown up and spent many summers working and camping at Calvin Crest. Here is a chance for you to give back to the camp you love. Some of you, may have never been to Calvin Crest and this will be your first opportunity to fall in love with this wonderful part of God's creation.

The extent of our work is yet to be determined, but we will spend some quality time providing some type of service work to the camp. In addition we will have times of study and fellowship, meals and some great time of worship around the campfire. During this time we will grow together in service and worship to God.

Costs at this time are still unknown. We plan to arrange some type of fundraising to off-set the cost for each participant. The next step for those interested in attending is to fill out the attached registration form. Once this is complete please return it with your *non-refundable* **\$25.00** deposit (*checks made payable to your church*) to your Youth Director by **February 8, 2008**.

***"Is Seeing really Believing"*** will be our theme throughout the weekend. We will take time to stop, look and hopefully Believe in the power of our Awesome God. Often times The Creator of everything around and within us steps right out and "shows" us the Power of the Living God. The next step for us is to see and ultimately Believe in the Healing Power available to us.

We hope you'll join us on this weekend full of fun and faith. Together we hope to SEE and BELIEVE in our God. See you on June 5th!
